

# BEFORE APPLYING FOR A DEGREE

As educators, we love to have our candidates enter our accredited program with a completed secondary education. However, reality teaches us that this is not always possible, especially for those who live outside of North America. *Therefore, we have standardized our educational requirements to the following:*

1. **Candidates** must speak, write and understand English (as our courses, at this point, are only in English)
2. **Candidates** must apply for an accredited program, filling out **the application form**. That application form requires *a 500 word essay* on the candidates spiritual goals as well as the degree they seek.
3. **Candidates**, *whose application is accepted*, enter the degree program **on a trial basis**.
4. **Candidates** *who receive a 75% average of their first three courses continue to earn their degree., and receive the applicable credits towards their bachelor degree.*

We do this so:

- **Students** are set up to **succeed** in the degree program.
- **Students** receive or have reinforced a **solid foundation** upon which to build a faith life.
- **Students** receive **study techniques and disciplines** needed to take a degree program.
- Students can grasp the call of the Spirit to secure solid Biblical roots to face the end times in which we live.

## BACHELOR OF THEOLOGY DEGREE – TRIAL COURSES – YEAR 1

101	Bible Study Basics. – Part 1 A Closer Look at God’s Word.	<b>Bible Study Techniques.</b> <i>Learn some basic hermeneutics so you can rightfully divide God’s Word. Use the information for personal growth, then for teaching or preaching the Word.</i>	6
102	Bible Study Basics. – Part 2 A Closer Look at God’s Word	<b>Bible Study Techniques.</b> <i>Learn some basic hermeneutics so you can rightfully divide God’s Word. Use the information for personal growth, then for teaching or preaching the Word.</i>	6
