

“Welcome to CP & AA” >>>

Cegullah Publishing and Apologetics Academy presents credible Bible based teachings to invite believers to know what they believe and why, and then, in living it out, shine as a brilliant light for Yeshua in the generation in which they live.

Our Objective>>>

To teach apologetics so believers can better know their God and their faith. This helps building confidence to present to all who ask the reason for the hope that lies within. (based on 1 Peter 3:15).

Our Mandate>>>

Following the lead of the Holy Spirit and with His help, we reach out to feed God's sheep, inviting them to study the Word of God, and as the Holy Spirit and scripture bring it to light, to implement any realignments with the Word of God, wherever necessary, thus, walking closer to the original faith given to the saints. Additionally, we reach out to equip God's saints, including those who wish to earn accredited degrees. (based on John 21:16-17)

Our Vision Statement>>>

As a Publishing and online Apologetics Academy, we present solid, proven, biblical materials, which represent both the first and second covenant scriptures and their principles, well. This includes, in the first covenant, the ways of God, the works of God, and understanding the prophets. In the second covenant, this includes the gospel message, the teachings of Yeshua, as well as how to live a life with God at your side, in a rich, unending and fruitful relationship. In short, we give opportunity for believers to connect more with God, strengthen their relationship with Him, and live out their faith in the power of the Spirit. (based on Matthew 28:19)

Our Motto>>>

“Earnestly contend for the faith once given to the saints.”
Jude 1:3

CP & AA Loves & Supports Israel>>>

CP & AA believes the Apostle Paul's words in Romans 11 referring to both Jew and Gentile as part of the same tree. Paul wrote:

24 For if you were cut out of the olive tree which is wild by nature, and were grafted in contrary to nature into a good olive tree: how much more shall these, which are the natural branches, be grafted into their own olive tree?

Therefore, CP & AA believes that the church **never replaced Israel**, but through the New Covenant, God grafts all believers (Jew and Gentile) into one tree as scripture teaches! Additionally, we understand the importance of Israel in God's overall salvation plan and thoroughly believes in the principle in God's Word in Isaiah 62:7

And give him no rest, till he establishes, and till he makes Jerusalem a praise in all the earth.

“Earnestly contend for the faith once given to the saints.” Jude 1:3

CP & AA's Founder >>>

Rev. Jeanne Metcalf, our Founder, is a respected and recognized teacher, as well as a prolific writer. She believes since God's Word never changes, it is a reliable source to guide believers in today's world where many teachings exist to steer believers away from a solid, biblical faith.

Furthermore, believing that each person must take responsibility for what they believe and why, she presents Bible Studies which draw people to the Word of God so they can learn, firsthand, what God desires for them. All who do so find God designed them to live victorious lives and provides the way to do so.

CP & AA's Team of Associates >>>

This unique team of associates, like Jeanne, recognize the effectiveness of solid biblical materials to help shape a firm faith foundation. United in purpose, this team stands ready to lend a hand in every way possible to all who desire to know their God and do exploits.

CP & AA Loves the Word of God >>>

CP & AA believes the bible is the inspired Word of God and in **its original transcripts** is infallible and authoritative. Therefore, we teach the Word of God from this perspective helping students to embrace the Word, walk in a closer relationship with YeHoVaH, and thus, live out their life to glorify God.

2 Timothy 2:15 Study to show yourself approved unto God, a workman that needs not to be ashamed, rightly dividing the word of truth.

Using the Word of God as a plumbline for living, students of the Word can and must impact their society. Walking in a mature faith mindset, *one gained by personal time spent with God and His Word*, CP & AA works towards helping believers to walk in a dynamic faith that, like the early church, turns the world upside down.

CP & AA is Bible Study, & Accredited Courses for Degrees with a major difference: >>>

We use an inductive study method, meaning, students begin with a Workbook and using scriptural passages presented, take time to read the scripture, connect with God through that scripture, and answer questions designed to help understand **the context of the scripture**. Then, they read the textbook. In this way, they have opportunity to learn **first from the Word** and the Holy Spirit, then reaffirm it with the textbook. This applies to our accredited program for degrees as well, so students get to know their God and thus, do exploits.
