CP & AA Loves & Supports Israel>>>

CP & AA believes the Apostle Paul's words in Romans 11 referring to both Jew and Gentile as part of the same tree. Therefore, CP & AA believes that the church **never replaced Israel**, but through the New Covenant, God grafts all believers (Jew and Gentile) into one tree as scripture teaches! Additionally, we understand the importance of Israel in God's overall salvation plan and thoroughly believe in the principle in God's Word in Isaiah 62:7

And give him no rest, till he establishes, and till he makes Jerusalem a praise in all the earth.

Cegullah Publishing & Apologetics Academy

About Cegullah Publishing >>>

Rev. Dr. Jeanne Metcalf, our Founder, is a respected and recognized Bible teacher, as well as a prolific writer. Jeanne recognizes that every believer must take responsibility for what they believe and why. Therefore, she founded Cegullah Publishing to present accredited, non-Denominational, Christian resources to help believers encounter God through His Word, and thus, become more solid in their faith walk.

With those thoughts in mind, we invite you to use our materials to:

1. Learn by reading and enjoying them,
2. Learn by doing Bible Studies, unaccredited, or
3. Learn by enrolling in the Accredited Degree Program.

Whatever you chose, live a more victorious life through learning God's Word.

About Cegullah Apologetics Academy >>>

Our unique team of associates, like Jeanne, recognize the effectiveness of solid biblical materials to help shape a firm faith foundation. Therefore, united in purpose, our team stands ready to lend a hand in every way possible to all who desire to know their God as they pursue an accredited degree,

What we believe >>>

CP & AA believes the bible is the inspired Word of God and in **its original transcripts** is infallible and authoritative. Therefore, we present the Word of God from an Hebraic perspective. We believe this helps students to better understand the Word, walk in a closer relationship with YeHoVaH, and thus, live out their life to glorify God. **2 Timothy 2:15**

Our Approach to Study the Word of God >>>

We use the Inductive Bible Study Method in all our courses. We believe this helps believers to learn the Word directly from the Word of God, and to become mature believers. With that faith mindset, *gained by personal time spent with God and His Word*, believers walk in a dynamic faith that, like the early church which:

Turned the world upside down.

About Our Materials: >>>

For Readers: For those who prefer only to read the material, it helps them understand and grow in the Christian faith, thus drawing them closer to God.

For Unaccredited or Accredited students, using the inductive study method, these students read the scriptures. Then, they answer questions designed to help them understand **the context of those scriptures**. In this way, they have opportunity to learn **first from the Word and the Holy Spirit**. In this way, they have opportunity to connect with God. Later, as they read the textbook, they reaffirm their findings.

Bible Study Courses: >>>

Below you'll find information on some of our courses, outlining the **apologetic application** of each course *rather than a course description*. For a course description, visit our website. Enjoy either unaccredited learning or accredited, whichever is your desire.
